Hello Ben. My apologies for the delayed reply. We would very much welcome a discussion with you about our work. We're going to do the webinar for the innovation grant on Dec 7 – so perhaps shortly after that would make sense?

Subject: Introduction from J-PAL Crime and Criminal Justice Sector

Dear Bill and Blair,

My name is Ben Struhl, and I manage the Crime and Criminal Justice Sector at J-PAL. Julia Chabrier suggested I reach out to you as it sounds like you're involved in exciting new work along these lines in Memphis, and she mentioned you were interested in learning more about our work.

Would you be interested in having a call sometime in the next few weeks so I can introduce our work to you and we could brainstorm about potential areas for collaboration or places where J-PAL could be helpful?

Best,

Ben
